The Humane Society of North Texas Makes Crucial Facility Upgrades with the Support of Petco Love

March 1, 2024 – Fort Worth, Texas: The Humane Society of North Texas (HSNT) recently completed upgrades of their main canine holding room thanks to the final \$200,000 disbursement of the original \$400,000 grant awarded by Petco Love.

It is because of this grant that HSNT was able to replace the aging drainage system in its largest holding room. These improvements without a doubt enhance the safety, comfort, and efficiency of HSNT's operations, which ultimately benefit the animals in its care.

The investment in the Humane Society of North Texas is part of more than \$15 million in investments announced by Petco Love to power local organizations across the country as part of its commitment to create a future in which no pet is unnecessarily euthanized.

"The Humane Society of North Texas (HSNT) is deeply grateful to Petco Love for their generous \$200,000 donation, which funded crucial upgrades to our facilities," said Destiny Vandeput, Director of Communications. "Petco Love's commitment to animal welfare aligns perfectly with our mission, and their contribution has made a tangible difference in the lives of the animals we serve. Together, we are creating a brighter future for homeless pets in North Texas and beyond. We extend our sincerest thanks to Petco Love for their partnership and dedication to making a positive impact in our community."
