FORT WORTH, TEXAS – March 14, 2025 – The Humane Society of North Texas (HSNT) has received a \$60,000 grant from [PetSmart Charities](#)[®] to help prepare more pets in North Texas for adoption. Some four million pets find themselves in U.S. shelters each year. In partnership with [PetSmart Charities](#), HSNT will bring adoptable pets to *four* PetSmart locations in support of National Adoption Week, taking place **March 24-30, 2025**.

"This grant will help us place more pets into loving homes faster, ensuring they spend less time in the shelter and more time with families who care for them," said Cassie Davidson, Senior Director of Marketing, Communications, and Public Relations at HSNT. "With these essential resources, we can strengthen our adoption initiatives and give more pets the second chance they deserve."

"Shelters across the U.S. are struggling to keep pace with the number of animals coming in and need support from their communities to bring pets and people together," said Heidi Marston, director of pet placement at PetSmart Charities. "We're proud to support the Humane Society of North Texas and the essential work they do to care and advocate for the animals that come through their door in need of loving families. Please consider supporting their lifesaving work through volunteering, fostering, adopting, or by making a donation."

PetSmart stores feature adoptable pets to meet and cuddle in spacious areas, and staff and volunteers are on-hand to make introductions and answer questions.
